## **Education:**

Early Childhood Education is not new to me. As a matter of fact, I have been in the education field over twenty five years. I hold a BA in elementary/early childhood education from the University of Northern Colorado, and a Masters of Education from Lesley University in Cambridge, Massachusetts.

## **Professional Background:**

I am currently the High Plains Early Learning Connections Coordinator. Prior to this position I was employed with Ogallala Public Schools, teaching first grade for five years and working as a behavior coach for two. Before moving to Nebraska I taught first grade and kindergarten in Colorado for 13 years. I also have experience working in daycare and teaching preschool.
